Nurses and doctors to Sahlgrenska University Hospital in Gothenburg

Sahlgrenska University Hospital is part of Västra Götaland Region and the largest healthcare organisation in northern Europe, with 16,700 employees. We are always at the forefront with the latest research and are driven by a desire to exceed patients’ expectations. In line with our strong aspirations for development, we cooperate closely with several different universities and colleges such as Sahlgrenska Academy, the University of Gothenburg and the Chalmers University of Technology.

We work on everything - from medical care within our own region to highly specialized national healthcare assignments. We focus on readily accessible and prompt care with a high level of patient safety. As an employee you are offered the ample options available in a large organization which can lead to different career paths and exciting challenges. We undertake many interesting projects with a clear focus on the medical care and clinical research of the future.

Vacancies
We have to meet strict requirements in the care we provide, particularly as we are a university hospital. This makes great demands on our employees. To enable us to continue to be successful, we need to continue to recruit the best staff. As a doctor, your most important task of all is to be responsible for the medical treatment and follow-up of patients. Success in fostering trust among our patients is crucial to our success.

Sahlgrenska University Hospital are offering permanent positions to doctors within:

- Oculoplastic surgery
- Cataract surgery
- Strabism surgery
- Medical Retina, glaucoma, general ophthalmology / ER, neuroophthalmology/electrophysiology
- Specialist in Radiology
- ENT specialist with extensive experience
- Specialist in Urology

Nurses:
- Surgery and ICU nurses
- Nurses specialized in oncology and nurses with training in radiation therapy
- Nurses with training in Dialysis
- General nurses

Applications
CV and cover letter should be sent to: health@arbetsformedlingen.se. NB! Write “Athens” in the subject line of your mail.

If you are selected our first meeting will be in Athens 12-13 of April for the first interview and more information about what we can offer to make your move to Sweden as easy as possible.
Thereafter we will invite you on a recruitment visit to Sahlgrenska University Hospital where you will be able to see the clinic, meet potential colleagues, see the town, surroundings and feel the atmosphere. Gothenburg is the vibrant city, boasting a buzzing foodie and café scene, green open spaces and a city archipelago. It is Sweden in miniature, with large city, rural areas and small communities and medium-sized towns nearby. We have sea, lakes, rolling hills, deep forests, open plains — all the different types of natural environment in Sweden.

We are looking forward to receiving your application as soon as possible. Not later than the 3rd of April.
